

We've provided this card that you can print, cut, and carry with you. Put it in a place that's close at hand, like a wallet or handbag.

To ensure that your card is ready when you need it, look in the Vitals drawer of your Vine application and verify that the following has been set up:

- ▶ Mobile phone is activated
- ▶ E-mail address is activated
- ▶ You know and can remember your PIN number

You will also want to check your Emergency Contacts group in the People drawer to make sure that everyone you need is on the list.

Write the names of other groups you create next to the appropriate code so you can take them with you too.

*Thanks for using Microsoft® Vine™ to stay in touch, informed, and involved in what matters.*

*In case of emergency, dial 911*

**To send an alert to your emergency contacts:**

Send text to 84630

Send e-mail to 84630.[yourPINnumber@vine.net](mailto:yourPINnumber@vine.net) or click **Send Alert** in the Microsoft Vine application

*All messages must be sent from your activated mobile phone or e-mail address, and within the United States.*

**Groups I can send alerts to:**

Group Name	Code
<b>Emergency Contacts Group</b>	<b>84630</b>
	<b>84631</b>
	<b>84632</b>
	<b>84633</b>
	<b>84634</b>
	<b>84635</b>

*In case of emergency, dial 911*
